

# Our expertise for your success

Selting+Baldermann is an internationally active business law firm with its headquarters next to the famous cathedral of Cologne. Ultimately, we owe our success to our clients, who over these many years have rewarded the quality of our work with their loyalty.

The issues and needs of our clients are the focal point of all our activities. This is as true today as the day the law firm of Selting+Baldermann was founded.

We are able to represent your interests worldwide, thanks to the international experience of our legal team and the support of our correspondent attorneys throughout the Advoc network.

The qualifications, experience and motivation of our attorneys and staff are integral to our success. Our attorneys consider themselves to be partners of their clients, helping them to achieve their goals more quickly and efficiently. By continually broadening our knowledge and fostering our personal growth, our team is able to ensure that the services of Selting+Baldermann are always on the highest level.

Our attorneys are experts in their fields and in their lines of business. Our focus is on offering you reliable service in the most important legal areas. We believe in quick reaction times, customized solutions and transparent cost structures.

## Ingo Selting

LL.M. (Washington D.C.)

Attorney at law  
specialist in trademark, competition,  
and copyright law.

DOB: 1967, founding partner

Mr. Ingo Selting is a founding partner of the business law firm of Selting+Baldermann. A specialist in trademark, competition and copyright law, he focuses on the various branches of media, as well as on information technology (IT). Thanks to his previous work in international media law firms, he has become expert in the structuring of production and licensing contracts, as well as in the financing of film productions. He also represents clients in the context of cease-and-desist procedures involving copyrights, trademarks, and media law. Ingo Selting was admitted to the Cologne Regional Court in 1997, and to the Cologne Higher Court of Appeals in 2002.

## Jochen Mertens

Attorney at law  
specialist in tax law

DOB: 1972, partner

Jochen Mertens has been a partner of the business law firm of Selting + Baldermann since 2001. An expert in tax law, he specializes in advising the management of mid-sized firms on questions relating to company formation, conversion, purchase, succession and liquidation. Jochen Mertens also develops solutions for company-internal shareholder disputes and liquidation optimization. Mr. Mertens has been admitted to the Cologne District Court and Higher Court of Appeals.

## Ulrich Gasper

LL.M. (Edinburgh)

Attorney at law

DOB: 1968  
associate since April 2006.

Ulrich Gasper joined the law firm of Selting+Baldermann in April 2006. He obtained his Master of Law (LL.M.) degree at the University of Edinburgh and now specializes in IT and internet law. In 1999, Ulrich Gasper joined the editorial board of the IT law magazine "Computer + Recht" (CR), which he has managed since 2003. In 2000, he also became editor of the law journal "Computer Law Review International" (CRi). Thanks to his freelance work at various British and German law firms, Mr. Gasper brings wide-ranging knowledge of many sectors of international business to the table. Ulrich Gasper was admitted to the Cologne District and Regional Courts in 1998.
